### Robert Parker Wine Advocate

2016 Anaperenna, **95 Points**

Even bigger, richer and darker than the 2015, the 2016 Anaperenna Shiraz-Cabernet Sauvignon is 84% Shiraz and 16% Cabernet. These are not wines for fans of shy, delicate wines, but neither are they clumsy fruit bombs. This is pleasantly multifaceted, with complex notes ranging from charred beef, black olive and asphalt to blackberries and cassis, all underscored by loam, vanilla and cedar. Full-bodied (15.5% alcohol), it's hugely ripe but balanced, with supple tannins and enough acidity on the long, velvety finish to balance the ledger.

### Matthew Jukes – 100 Best Australian Wines 2018/19

2016 Anaperenna

Made from a blend of 84% Shiraz and 16% Cabernet Sauvignon this is a mighty wine and one which takes the classic Glaetzer Shiraz design and punctures it with bright, bold, angular Cabernet. The results are tremendous and I am certain that this vintage will be another classic for this incredible label judging by the length and persistence on the palate.

### Huon Hooke, The Real Review

2016 Anaperenna, **96/100**

Very deep, bright, youthful red/purple colour. The bouquet is intense and plummy, with sousbois and foresty nuances plus some spice notes together with creosote, tar and charcoal. A massive wine, deep and rich and concentrated, with profound flavor and tremendous persistence. The tannins are powdery and drying, but the richness of the wine more than balances it. Licorice, graphite and plenty of char-oak. A tour de force.

2016 Anaperenna, **97 Points**

Magnificent colour density displaying an inky black core that's totally impenetrable and a very deep dark purple black hue. Intense dark plum, cassis and liquorice aromas sail out of the glass with elements of vanillin cedar, light tobaccos and confectionary also evident. Boasting an awesome level of concentration and richness, a sturdy, muscular tannin structure frames the opulent flavours of blackberries, liquorice and blackcurrant which saturate every corner of the mouth. Nuances of vanillin cedar, earthy tobacco, spice and pepper chime in on the dryish finish which has some grip to it. Exceptional power with a very long ripe blackberry, liquorice, blackcurrant, vanillin cedar, light earth and spicy pepper aftertaste.
