2022 Anaperenna – 95 points

Long a benchmark of Shiraz Cabernet blends, Anaperenna embodies the plush, Shiraz-led style of the northern Barossa. From old Ebenezer vines of 30-130 years of age, deep wells of glossy black fruits are granted just the right amount of tension and structure by 19 percent Cabernet and the dark chocolate allure of new French oak. Classic Glaetzer polish completes an enticingly approachable blend.

2022 Anaperenna – 96 points

Deep crimson. Attractive dark plum, liquorice, roasted chestnut, touch marzipan / vanilla aromas. Dense and sinuous in structure with lovely pure dark plum fruits, underlying roasted chestnut, vanilla notes and beautifully ripe, slightly al dente tannins. Builds to a vigorous and juicy finish. Drink now – 2036.

The Real Review

2022 Anaperenna – 95 points

Dark, inky, impenetrable and opaque in the glass. Lifted aromas of dark plum, mulberry, iodine, anise, bramble, sweet spice and a cool menthol kick. Powerful, full-bodied, concentrated and plush in flavour. Full bore, with dark fruits, sweet spice, sweet oak, soy and a fleshy, tangy drive of blackberry and satsuma plum. Long, grippy, textured and snappy on the finish.

2022 Anaperenna – 96 points

The wine offers stunning fruit purity and stylish complexity, showing cassis, blueberry, violet, fennel, cigar, and cedar characters on the nose. It's wonderfully weighted and mouth-filling on the palate, offering terrific fruit power with spicy nuances, backed by refined texture and chalky tannins. Gorgeously composed and expressed with a great line and length. At its best: 2027 to 2039. \$52.00. www.glaetzer.com. May 2025.

2022 Anaperenna – 96 points

Exceptional old vine Ebenezer fruit has been brought in to create this wonderfully expressive Barossa blend. The Shiraz from vines up to 100 years old and the Cabernet up to 130 years old. It's a remarkable resource that Glaetzer has harnessed expertly to capture every last bit of that intensity and power. Rich, dark chocolate and blackberry plummy flavours swirl through a dense and concentrated palate. Having said all that, it retains an elegance and gracefulness.

2022 Anaperenna, 93 Points

A balanced, fruity, textural and well-composed blend of shiraz and cabernet sauvignon with cassis, dark cherries, warm spices and dried flowers on the nose, following through to a full body with fine, firm tannins and a lovely kick of peppercorn to the fleshy berries. Chalky, flavorful finish. Drink or hold.

2022 Anaperenna – 95 Points

The 2022 Anaperenna Shiraz Cabernet Sauvignon is so attractive on the nose, with red berries and roses, abundant, glossy fruits and an attractive balance of spice to go with it. These Glaetzer wines are full-bodied yet sleek, and while this is certainly ripe, it is in no way dull or overdone because of that. It has notes of raspberry, dark chocolate, cherry (ripe in its way) and licorice. There are layers of jubes/pastilles, plump fruit, earth and plenty of ductile tannin, and oak is tucked away in there too – all things writ large yet svelte.

James Halliday

2022 Anaperenna – 95 points

A deeply coloured cabernet sauvignon, one possessed of opulent black-fruited heft and a slightly broody disposition. Ben Glaetzer's wines are no wallflowers. There is no expectation of pontificating on space or filigree. You just stare at the glass, google-eyed at its latent power and opulence. Not a herbaceous bone in this wine's torso. Just thick black fruits, licorice, earth, graphite, fine, sandy tannins and a smooth, hydraulically consistent flow of rich fruit far into the distance.

2022 Anaperenna – 92 points

This charming 2022 Anaperenna has an ethereal quality as it initially teases with wafts of leafy cassis, dark cherry and roasted meats. It is compact, although understated, with balanced fruit and tannins over a long yet fine finish that will be better with time.
